LE FORME

Vintage, retrò, contemporanee

L'estetica anni '80 era caratterizzata da 1 mix di colori vivaci, ma accanto si mantennero i colori pastello e le geometrie decise. Cerchi, linee e poligoni si fondono e creano un'edizione che vuole essere vintage ma allo stesso tempo contemporanea.

SHAPES

Vintage, retro, contemporary

The 1980s aesthetic was marked by a vibrant mix of bold colors, yet soft pastels and striking geometric shapes stood alongside them. Circles, lines, and polygons blend seamlessly, creating an edition that aspires to be vintage yet distinctly contemporary.
